

KennelSol APS™

Air Purification System

SHOCK ClO₂

HVAC/Animal Care Facility Deodorizer

Directions for Use:

Place equal amounts of **Part A** and **Part B** into a generator sachet or tub. Securely fasten seal or top and shake to activate media. Place sachet or tub in HVAC or near odor source (white side up). Multiple sachets or tubs can be used for difficult odors or large areas. Discard unopened sachet or tub in trash after 48 hours.

Handling:

Store in a cool, dry place, do not expose to direct sun light or heat. Discard in trash collection.

CAUTION:

DO NOT EAT. Keep materials away from face and away from children. Avoid inhaling fumes. If package breaks or spills, clean up granules and place in trash.
