LaundraPet®

Now with ENZYME
Cleaning Power

A premium laundry detergent designed for the environment

Some of the purest ingredients available are used to provide excellent cleaning power, leaving garments soft and smelling fresh. LaundraPet® contains more than 3X the cleaning power of conventional laundry detergents.

Home and Animal Care Facilities

Same veterinarian formulated solution used by pros at Animal Care Facilities for the toughest laundry jobs.

Premium pet friendly detergent cleans, removes odors, and fights stains.

Strong enough for cleaning institutional linens, yet safe and gentle enough for laundering and removing odors from home garments and textiles used in pet care.

CLOTHING BEDDING BLANKETS TOYS

Ingredients

Includes biodegradable surfactants (anionic and nonionic) and biodegradable water softener iminodisuccinic acid sodium salt. CONTAINS NO PHOSPHATE.

CAUTION: MAY IRRITATE EYES. Do not get in eyes. Do not reuse this package for dispensing beverages or other liquids.

KEEP OUT OF REACH OF CHILDREN.

FIRST AID TREATMENT If Swallowed, clean mouth with water. Give a glassful of water and call Poison Control Center or doctor immediately. Never give anything by mouth to an unconscious person. If in eyes, rinse with water for 15 minutes. If irritation persists seek medical assistance.

For color safe bleaching:
add one packet of OxzPet®
